September 6, 2017

TO: Pool Handlers
FROM: Erik F. Rasmussen, Market Administrator
SUBJECT: *Reminder*—Fall 2017 Shipping Percentages at 15%

This memo is a reminder that the required shipping percentages — under Section 1001.7 (c) (2) of the Northeast Order — for the months of September, October, and November 2017 are 15 percent.

In June of 2016, a request was made to lower the fall month shipping percentages. Following a review of market conditions a decision was made to lower the percentages to 15 percent for the consecutive years of 2016 and 2017. The complete request and decision can be found on the Northeast Order website at the following address:
