Price at 3.5% butterfat. Does not include the 20 cent per hundredweight processor assessment, an obligation under the Fluid Milk Promotion Order (7CFR§1160.101 et seq.).

Regional Milk Production Costs

USDA's Economic Research Service (ERS) has discontinued calculating estimated monthly Cost of Production (COP) for milk effective with data provided on 5/31/02. ERS has recently developed a new approach for computing milk COP estimates using data from the 2000 Agricultural Resource Management Study of dairy farmers. This COP information can be found at www.ers.usda.gov/data/costsandreturns/testpick.htm under the "milk" selection. For additional information contact Sara Short (202) 694-5588, Jim Johnson (202) 694-5560, or Bill McBride (202) 694-5577.
